## **CIRCULAR 2 of 2025**

Dear Parents and guardians

We are nearly coming to the end of Term 1. We are very proud to mention that our children have been great; extra mural activities were more functional than before, and our children and their teachers are working very hard towards the marks for the term. It should be noted that stakeholders who contributed to the success and harmonious atmosphere of our school are much appreciated. These stakeholders include parents who assisted their children with school work and the school with honouring their school fees responsibility and community projects, staff members who worked tirelessly to support the curriculum and socially needy children, staff members who leave their houses very early to assist children who are here as early as 6:00 and SGB members for their continued support to the school. We appreciate every person who contributed positively to our school. We have no doubt that such support will still continue in Term 2.

As per our Term 1 calendar, our school will close on 28 March at 10:00 and reopen on 8 April 2025. Kindly make transport arrangements on time. We wish you joyful school holidays.

Kindly take note of the following matters of importance:

### **1. Academic matters**

#### **1.1 Issuing of reports**

Term 1 reports for Grades R-7 will be issued on the 27th of March between **16:00-18:00 in your child's/children's register class. Please note the changed times and venues for the collection of reports for 2025.**

Please keep the discussion with the class teacher to a maximum of 5 minutes or feel free to make an appointment with the relevant teacher if you have any concerns.

Parking will be available inside the school's premise on the A rugby field. Kindly use the Osche gate for entering and exiting.

All reports will be handed out to parents/guardians or delegated person/s appointed by the parents/guardians. Two copies will be issued to each learner, the one in yellow is to be taken home whereas the white copy must be signed at school.

## **NB**

**No report will be handed out before this date for collection or on the last day of school before the holidays. Parents who are unable to collect the reports will have the opportunity to collect them in Term 2. Please do not come on the 28<sup>th</sup> of March for the report.**

## **2. Afrikaans Rubikon Competition**

Definition of “Rubikon”:

A bounding or limiting line, especially one that when crossed commits a person irrevocably. Afrikaans is a 3rd or 4th language for most of the learners in Uitsig Primary, so some learners lack the interest and confidence for this Additional Language. There are a lot of obstacles to overcome in Afrikaans, but we wish to instil a passion for Afrikaans by various methods.

In Term 1 there were a few learners invited from Grade 4 – 7 to perform Afrikaans songs of their choice. They enjoyed it immensely. Congratulations on their wonderful and exciting performances. Thank you for allowing your children to participate in this fun-filled competition.

## **3. Athletics**

Our athletes competed at the District Athletics Championship meeting on the 28th of February. We represented our school and our district well by being placed in the Top 10 in all our items. A special congratulations to Kundani Sinugo who received a 3rd place in high jump. All our athletes did their best and we ended our season on a high note.

## **4. Netball season**

We are thrilled to announce the outstanding achievement of our school’s netball teams. Our talented athletes showcased their dedication and skill, securing victory in a friendly match against Curro Hazeldean on the 25th of February.

The winning teams were as follow:

U/10 A

U10/B

U/11 B

U/12 B

U/13 B

We extend our heartfelt congratulations to the winning teams for their hard work and sportsmanship. Their commitment to excellence has not only brought excitement to our school but also exemplified the spirit of teamwork and perseverance.

We are also delighted to share the exciting news that the following netball players participated in the Zone trials and made it to the second round of the district trials. We are immensely proud of their achievement.

U/12 U/13

GS - Rotondwa Masevhe GS – Enhle Molemi WA- Kgatontle Rangata

GA – Lethabo Mokoni C- Esihle Xhatoto WD – Thalanda Piti

WD – Paballo Sethabela GD – Realeboha Nkole GK – Adivhaho Phidza

Furthermore, it is with much excitement that we announce Rotondwa Masevhe who was chosen to participate in the Inter District Trials. This is an immense achievement for this young netball player to present Uitsig Primary. We want to wish her all the best as she will play for a position in the Tshwane trials.

## **5. Rugby Season**

Our rugby pre-season kicked off in Term 1 this year. Despite rain, our players and coaches have been working very hard to prepare for the upcoming season in Term 2. We have already played three friendlies against Curro Hazeldean, Thornhill Primary and Laerskool Swartkop where our teams have shown great progress. We have two more fixtures to conclude our pre-season against Jacaranda College (18 March) and Laerskool Doringkloof Primary (25 March).

The 1st team players will also be playing their pre-season Blue Bulls trials at the annual Midstream day on the 15th of March, where we hope to see many of our players progress to the next round of trials. The coaching staff of Uitsig Rugby would like to thank each parent and player for their dedication thus far and we hope and believe that the 2025 season will be a great success.

## **6. Bulletjie Rugby**

It is our privilege to announce that on 15 March 2025, we will officially have our first matches at Monumentpark for Bulletjie Rugby 2025. We, as coaches and organisers are very excited to start this season off with a bang! May all the parents of our players come and support our children and encourage them. Winning is not the main focus, but developing a love for the game. The main focus is on having FUN!!

## **7. Fun day Term 1**

Our Fun day for Gr R – Gr 7 learners will take place on the 13<sup>th</sup> of March 2025

**TIME: 07:30 – 13:00:** Please make the necessary transport arrangements as the school will close for ALL learners at 13:00.
